Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Friday 13 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
An unsettled end to the week with temperatures dropping.

Today:
A mostly dry start but frequent, locally heavy showers developing across the region as the day progresses. A cloudy day for many but chance of sunny spells. Strong winds particularly in exposed areas. Maximum temperature 21 deg C (70 deg F).

Tonight:
Heavy, isolated showers to continue into the night, with strong winds persisting. Patchy cloud but plenty of clear spells across the region. Minimum temperature 12 deg C (54 deg F).

Saturday:
Sunshine and showers at first, although most places remaining dry. Turning cloudier through the afternoon with some patchy light rain or drizzle possible later. Feeling cooler. Maximum temperature 19 deg C (66 deg F).

Outlook for Sunday to Tuesday:
A wet, cloudy and cool day on Sunday. Sunshine and showers on Monday morning, with some drizzle moving in during the afternoon. Cloudy with some rain on Tuesday.
